Mr. Twomey's expertise is in general corporate and business law with an emphasis on securities and business acquisition matters. He has substantial experience in the securities area, including venture capital financings, public offerings, private placements and SEC compliance, and has also handled a wide variety of merger and acquisition transactions. A significant portion of Mr. Twomey's clients have been start-up and emerging growth companies or investors in such companies, including private equity funds. Mr. Twomey has primarily represented clients in the technology field, particularly high technology, medical device and biotechnology. He also represents a number of companies in the apparel industry and was general counsel to the Surf Industry Manufacturers' Association for over 18 years.
